NADAC Trial

Date: Aug. 20-21

Location: All Dogs Can in Lapeer

Classes: Keep them the same - Sat.: 2 Reg., 1 Chances, 1 Tunnelers, 1 Touch n Go, 1 Jumpers Sun: 2 Reg., 1 Chances, 1 Tunnelers, 1 Weavers, 1 Jumpers

NADAC offers a Beginners class that has less obstacles and is easier, members did not think there would be much interest in that NADAC judges have complained that ADC does not have enough tunnels, the

ones UNO brought are worn out. Darlene of ADC has bought quite a few. The club agreed to purchase some tunnels for Darlene.

Equipment: The club has a storage container at Schnellberg Kennel that we are paying a yearly fee storage fee to Sue. Since our trials are held at a place that has equipment, we no longer need the equipment. So during the summer there will be an agility equipment sale to members first. Details to be determined. Darlene of ADC is interested in buying the containers.

Treasurer Report: Pat Moorhatch sent a detailed report, she was sick and unable to attend. A report will be posted on the club website.
